Dear Parents, Teachers and Friends,

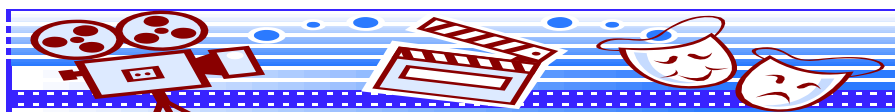

The purpose of our organization is to aid the students and staff by providing support for educational and recreational needs; to promote open communication between administration, teachers, and parents and to encourage SMS school spirit and pride. The PTO uses its resources, both manpower and monetary, to support all the efforts of our school staff.

We in the PTO believe that it is the ultimate importance that we do everything we can to enhance the learning environment of our children as they truly are our future. It will take all of us working together to ensure that this happens. Every positive imprint we make on our children can go a long, long way. If you are able to give some time, day or evenings, please join us! Many hands make the job easier.

I have been very fortunate to meet many wonderful people (parents and staff) through our involvement. We look forward to getting to know you and hope we do all we can to make you feel welcome!

Your PTO President,

Jennifer Santana

Fundraising

Our goal is to fundraise in a way that respects our school family. This means doing our best to observe that we all have individual time and financial constraints.

Throughout the year we will be hosting what we call "Passive Fundraisers." These events allow us to make a lot of money for our school (our children) without doing anything that we wouldn't do anyway – in this case EAT! Please support us by coming to as many Fundraisers as possible. Future dates will be announced for McDonalds, Souplantation, Jersey Mike's, Shakeys and more!
